CLASSES & CLUBS

The following classes are designed to move quilters along their quilting journey from beginning quilting to more advanced techniques and layouts.

Begin Paper Piecing

Kim

Saturday, January 4 and Sunday, January 5

10:00 am – 4:00 pm

Have you heard the term “machine paper piecing” or “foundation piecing” and wondered what it is? Have you seen numbered patterns in books and magazines, and wondered how to use them? Have you seen perfect patchwork and wondered how to get those results? If you answered “yes” to any of these questions, this is the class for you. Learn how to machine paper piece blocks quickly and easily by constructing a lovely mariner’s compass.

Stack it, cut it, and sew it into beautiful blocks while learning to use Marti Michell’s “Kaleido-Ruler”. Every quilt turns out different, and you may not even recognize the fabric in the quilt you started with. Will you only make one? Doubtful, as you will never look at fabric the same way again after learning this technique and using this ruler.

Check out Marti Michell’s book, *Kaleidoscope ABC’s*, and find our store featured within with various student’s quilts!

This quilt offers many learning opportunities: fabric selection and value decisions; precision piecing; varied block, sashing, and border construction; paper piecing; and fusible appliqué.

New this term is a Storm at Sea quilt. Participants will choose from one of 3 patterns to make the quilt: *Ripple* by Carl Hentsch – This quilt features a circular setting to the Storm at Sea block. It is made using the paper-piecing method.

Orca at Sea by Northern Threads Designs – This quilt features a storm at sea block accented with a snail's trail block to show a wonderful swirl of the ocean waves. The Storm at Sea block can be made using traditional or paper-piecing methods. The appliqué may be done with pre-fused, laser-cut shapes should the customer wish to purchase them.

Smooth Sailing by Pam Goggans – This quilt features the traditional Storm at Sea layout but is made using Studio 180 (Deb Tucker) rulers to construct the blocks.

All club participants will be given the opportunity to learn Diamond Rects & Square2 rulers, traditional paper piecing, paperless paper piecing; and foundation piecing methods.
